

Grant Call to automate the collection and pre-processing of soiled crockery for centralised dishwashing

Title of Proposal:

Company Name:

Contact person's name, email and mobile no:

Submission Requirements

- A. Details of Applicant
- B. Executive Summary
- C. Detailed project proposal
- D. (Optional) Grant Application Information

A. Details of Applicant

- Name of lead company and collaborator(s), if any
- Business Address and Corporate Website of lead applicant and collaborator(s), if any
- Profile of lead company and collaborator(s), if any (in less than 100 words each)
- Areas of Expertise of lead company and collaborator(s), if any (in less than 100 words)

B. Executive Summary

Instruction: To provide a summary of the solution, technology and deliverables – tangible and intangible outcomes of the project (in less than 500 words)

C. Detailed Project Proposal

Instruction: To elaborate according to the following outline (*can be more than 1 slide per item*):

1. Technical effectiveness and feasibility of solution to address the challenge statement
2. Economic feasibility of solution
3. Potential benefits (*e.g. how is this solution novel/different from what is available currently, potential cost and manpower savings*)
4. Capacity and expertise to execute (*capabilities and resources committed*)
5. Detailed plans for 3 phases (*i.e. Development, Test-bedding and Pilot deployment*), as well as desired deliverables/milestones and outcomes of projects for the 3 phases (*including but not limited to tech specs, project/product development schedule, key challenges to overcome*)
6. Estimated sale price of the developed solution for Commercial Deployment, showing the detailed ROI calculation (*providing information of assumptions made*)
7. Others (*as specifically requested by Challenge Brief*)

C. Detailed Project Proposal

Note:

- To refer to the necessary information required under the Evaluation Criteria

D. (Optional) Grant Application Information

Instruction: For Singapore-based enterprises who wish to seek funding support for proposed project, please fill and submit the [*Application Form – Grant Support.docx*] together with this proposal submission.
